

PROFICIENT

ELECTRICAL

CAPABILITY STATEMENT

Licensed • Insured • Experienced

ABOUT US

Proficient Electrical is a locally owned and operated electrical contracting business with more than two decades of hands-on industry experience. We provide dependable electrical services to homeowners, builders, and commercial clients, delivering solutions that prioritise safety, compliance, and long-term performance.

Our qualified and fully insured team is committed to maintaining the highest standards of workmanship. From small repairs to full electrical installations, every project is approached with care, transparency, and professionalism. Our strong base of repeat clients and positive reviews reflects the trust we have built through consistent, high-quality service. We pride ourselves on clear communication, punctuality, and leaving every site clean and safe.

CORE VALUES

Our core values guide every project we undertake. They shape how we work with clients, manage risk, deliver quality, and maintain long-term partnerships across residential, strata, and commercial environments. These values underpin our reputation for professionalism, reliability, and compliant workmanship.

Safety First

Safety underpins everything we do. All work is completed in strict accordance with Australian Standards and current electrical legislation.

Quality Workmanship

We deliver durable, high-quality installations using trusted products and proven methods.

Compliance & Integrity

Our work is fully compliant, certified where required, and completed by licensed professionals—never shortcuts.

Customer Focus

We listen, advise honestly, and tailor solutions to meet each client's needs and budget.

Reliability

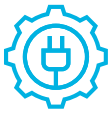

We show up on time, communicate clearly, and stand by our work.

GENERAL SERVICES

Our general electrical services cover a wide range of everyday repairs, upgrades, and installations for homes and businesses. We provide practical, safe, and compliant solutions that improve reliability, functionality, and efficiency, with minimal disruption to your property.

OUR 5-STEP PROCESS

STEP 1 Submit Your Enquiry

Send through your enquiry or quote request online at proficientelectrical.au/#enquiry and attach any relevant photos to help us assess the job.

STEP 2 Receive Your Quote

We'll provide a clear, upfront quote. In some cases, a site visit may be required to ensure accuracy.

STEP 3 Book Your Job

Once you accept your quote, we'll contact you to arrange a convenient day and time that suits you.

STEP 4 We Get To Work

Our qualified electricians complete the job to strict safety and quality standards, with care and attention to detail.

STEP 5 Job Complete & Invoice Sent

Your job is finished on time, fully tested, and ready to go. Your final invoice is emailed to you with a 7-day payment period.
